2012 Vending Options

We are happy to announce that Sazio's will be our hub for all non-showroom events this year, which means that all attendees will visit this area for classes, pre- and after-parties, Legend's vending & The Burlesque Bazaar. This will ensure high amounts of foot traffic since all events will be centrally located, a definite plus for getting people to see your products. Another bonus this year, with the Bazaar and vending being located in Sazio's, is that we can now extend vending hours to include both during the day and then again at night, during the after-parties. Don't worry though; we will be closed during the shows with security provided, ensuring the safety of your vending area.
